

## JOINT MONITORING COMMITTEE

under Interreg-IPA CBC Bulgaria - Serbia Programme

Written procedure No. 16, initiated on 8 November 2017

### 1. Description:

The Written procedure for approval of request for modification of project proposal no. CB007.1.21.040, titled "Investment in the health and the prosperity of youth in the Bulgarian-Serbian region", under the Interreg-IPA CBC Bulgaria - Serbia Programme 2014-2020, was initiated by the Co-chairperson of the Joint Monitoring Committee (JMC) from Bulgarian side on 8 November 2017. The modification relates to amendment of the approved Works design and Bill of quantities for the planned construction activities of Project partner 2 – District Administration Pernik, based on the fact that the tender procedure for awarding the contract with subject "Construction works for outdoor facilities of Professional school of clothing and tourism "Sv. Ivan Rilski" and professional school of energy and mining "Hristo Botev" has been launched two times and then cancelled. As far as Project partner 2 is a second-level budget administrator with no costs for construction activities in its yearly budget and lack of own resources, the only possible way for implementation of the planned investment is through modifying the Bill of quantities by adding the necessary positions and costs for part "Construction". The proposed modification is necessary for implementation of the investment activity and achieving of the project's objectives and results.

The official letter No. 99-00-2-452/07.11.2017 was sent to the JMC members via the Management Information System. The respective documents are available in the Management Information System.

The JMC members were given 10 working days to send their approval or comments on the proposal. The only remarks received, within the set deadline, were opinions of approval.
